CONNECTING OUR COMMUNITY TO THE CLASSROOM

Greenfield Central School Foundation connects our community to the classroom to support student learning, provide extraordinary classroom experiences, and prepare our students for success.

STARBUILDERS GCSF PAYROLL DEDUCTION PROGRAM

STARBUILDERS contribute to the Greenfield Central School Foundation (GCSF) to help build resources for our schools and classrooms. Through the GCSF payroll deduction program, teachers and staff can automatically deduct an amount from their paychecks that fits their individual budget. Each contribution works to make a difference in the lives of students, sponsor educational activities, and meet classroom needs. Even a small amount per employee makes a big impact!

Participation in this giving program is a tangible way for teachers and staff to demonstrate their commitment to their students and schools and tell our community, "We believe that what we are doing is making a difference and that our schools are worth the investment."

The community, businesses, parents, and students take notice – creating pride in our schools, gratitude to our teachers and staff, and becoming inspired to financially commit to our school system and GCSF as well.

PLEASE NOTE:

If you signed up previously, you do not need to sign up again unless you want to change your amount. The same amount will be deducted again for 2022-23 unless you inform GCSF otherwise.
